Request for Termination of Period of Liability Under Bond Denied

This office has been requested to terminate the period of liability on the bond described above. The bond cannot be terminated at this time for the following reason(s):

Final abandonment of the last well drilled on the lease (or leases) covered by the bond has not yet been approved. For more information, you may contact the following office:

Reports must be received from the following office(s) as to any continuing need for the bond:

Each BLM State Office must confirm that there is no objection to termination of the period of liability on the bond. You may be able to speed each office's determination by advising that office of those leases in which the principal has held any interest, other than overriding royalty interests, since the bond was executed.

The enclosed report(s) show the objection(s) to the termination of period of liability. The bond must remain in full force and effect until the conditions noted in the objection(s) are corrected, or the necessary work completed. For more specific information, please contact the office originating the objection.
